

Northwind Cloud Service Level Agreement

1. Uptime Commitment

Northwind Cloud commits to a monthly uptime of 99.95% for the Compute and Storage services. Uptime is measured by external probes every minute from three independent locations. Scheduled maintenance announced at least 7 days in advance is excluded from the calculation.

2. Service Credits

If monthly uptime falls below 99.95%, customers receive a service credit of 10% of the monthly fee. If uptime falls below 99.0%, the credit increases to 25% of the monthly fee. If uptime falls below 95.0%, the credit is 50% of the monthly fee. Service credits must be requested within 30 days of the end of the affected month.

3. Support Response Times

Severity 1 incidents (production down) receive a first response within 30 minutes, 24 hours a day. Severity 2 incidents (degraded service) receive a first response within 4 business hours. Severity 3 questions receive a first response within 2 business days.
